EDUCATION

Montclair State University
Bachelor of Science in Computer Science

Montclair, NJ
January 2021 – May 2023

EMPLOYMENT HISTORY

Software Engineer

AYA Holdings Group | Full Stack Developer

Remote
May 2023 – Sep 2024

- Architected and developed a multifaceted application serving educational, social networking, and financial opportunities, significantly improving accessibility and user engagement.
- Built and optimized three scalable RESTful API gateways using FastAPI, enhancing system communication between the frontend, backend, and PostgreSQL database capable of supporting a large user base.
- Developed a responsive and intuitive front-end using Vue.js and the Quasar framework, aligning with the latest UI/UX design standards and preparing the platform for future user interactions.
- Drove frontend development for a dynamic educational platform and social networking site, featuring courses, lessons, sections, and quizzes with real-time interaction tools, improving feature delivery speed by 30% through efficient Vue.js and Quasar integration
- Collaborated closely with a senior developer to deliver critical project components, demonstrating strong teamwork and technical leadership, contributing to UI/UX design and database schema decisions by providing recommendations that improved design efficiency and optimization, ensuring on-time project milestones.
- Containerized development, testing, and deployment using Docker, reducing environment setup time by 75%, and enabling consistent, rapid provisioning across all systems.
- Integrated OpenAI's GPT models via API to support AI-assisted content suggestions and generation within the internal course editor, streamlining course, lesson, and section creation for admins.
- Co-developed a user-facing GPT feature allowing users to select from predefined roles (e.g., teacher, writer, investor) and submit custom prompts for dynamic, role-based AI responses.
- Evaluated and tested local LLMs using LM Studio, comparing model performance, latency, and reliability to assess feasibility for future deployment.
- Researched and evaluated appropriate tools and programming languages (e.g, FastAPI, Vue.js) for project requirements, ensuring optimal resource use and successful delivery.

PROJECTS

Personal Portfolio | *Vue.js, HTML, CSS & Quasar*

- Developed and deployed a responsive single-page portfolio using Vue.js and Quasar, featuring a dynamic interface and hosted on Github Pages to showcase personal achievements, hobbies, and projects.
- Leveraged HTML, CSS, and Vue.js for frontend development, integrating Github Pages and Quasar framework to ensure seamless hosting and dynamic styling
- Integrated Email.js library for contact form functionality, ensuring smooth communication with website visitors.

Unlimited Drinks | *Vue.js, HTML, CSS, Quasar, Python, Docker & PostgreSQL*

- Engineered a cost-effective beverage ordering system using Vue.js and PostgreSQL, demonstrating the potential to improve beverage access.
- Integrated Auth0 for secure user authentication and streamlined login management.
- Implemented Stripe API for seamless payment processing, enhancing transaction efficiency and minimizing checkout errors.
- Enforced a one-review-per-item system, to strengthen review integrity and user trust in product ratings.
- Built a comprehensive account management, enabling users to view order history and manage multiple addresses, increasing user convenience and platform flexibility.

SKILLS

Languages: HTML, CSS, Python, SQL (MySQL & Postgres), Javascript, PHP, Java, C, JSON

Developer Tools: Git, GitHub, GitHub Desktop, Docker, VS Code, Jupyter Notebook

Libraries & Frameworks: FastAPI, Flask, Vue.js, Quasar, PyTest, asyncpg, tortoise-orm

AI/LLM Tools: OpenAI GPT API, LM Studio, Prompt Engineering, Local LLM Inference

Relevant Coursework: Data Structures & Algorithms, OS & DB Systems, Web Development, Computer Networks & Security

AWARDS

Summa Cum Laude

- Graduated from Montclair State University with the highest Latin distinction awarded to students with exceptional GPAs

Montclair State University
